## SONG: BREATHE A MIRACLE

- “what a beautiful song our God is amazing and so loving and faithful he alone is good and all glory goes to him”
- “Thank you for uploading this beautiful masterpiece of a song. I can relate to this song because I've seen God do several things that I once thought were impossible. I've seen hopeless situations turn to miracles. It took lots of prayer, faith and a lot of perseverance, but eventually the breakthroughs came through, often when I least expected it. I've seen healing that no doctors couldn't explain. Remember God is with all at all times, regardless of how alone we may feel. He is the God of possible.”
- “I need this track please update 🙏”
- “Beautiful song. And a beautiful message to all. That nothing is impossible to God. Every miracle that happens in our lives come from Him. And only Him can do it.”

- “PRAISE THE LORD JESUS CHRIST ❤️”
- “Hi Jennifer. Another beautiful song that I can relate to. I've seen miracle after miracle in my life. Things that people around me and doctors thought were impossible. Everything is possible through God, nothing is possible without God. When I learned to lean on God instead of my own understanding, everything changed.. Some miracles took considerable time and patience, but with prayer and faith, it will all happen in God's timing. May God continue to bless you and fill the lives of you and those around you with happiness and blessings.”
